

21:st century breakdown

Greenday

4X + 4X M TRUMMOE

O o o oh

Born into Nixon I was raised to hell. A welfare child where the tea-mas-ters dwelled

The last one born and the first one to run. My town was blind from the re-finery sun

My ge-ne-ra-tion is ze-ro I ne-ver made it as a work-ing class he-ro.

Twenty first cen-tu-ry break - down I once was lost but ne - ver was found I

think-I'm losing what's left of my mind To the Twenty first cen-tu-ry dead - line.
